

CHEVROLET CORVETTE STINGRAY

CHEVROLET

A LEGACY SETS SHORE.

Power and performance brought about by years of innovation and precision engineering. Born with the legacy of the American supercar, every curve, gear, and capability were meticulously calculated to bring forth the masterpiece that is the Chevrolet Corvette Stingray.

10 THINGS TO LOVE

1

ALL-ALUMINIUM 6.2L V8 ENGINE

Let this powerful engine take your breath away with a peak performance of 455 hp and 621 Nm of torque.

2

8-SPEED PADDLE SHIFT AUTOMATIC TRANSMISSION

Smooth drives never felt more thrilling with an automatic transmission that delivers instantaneous and precise shifts to enhance your overall driving experience.

3

BREMBO® DISC ROTORS

High performance Brembo® brakes provide outstanding stopping power that's suited for all – whether it's for your everyday work grind or for extreme road driving.

4

MAGNETIC RIDE CONTROL

The automatic system reads the road every millisecond and adjusts the damping in just 10 to 15 milliseconds in shocks containing magnetorheological fluid with minute iron particles.

5

19" FRONT AND 20" REAR WHEELS

Aesthetically sleek 19" x 8.5" front and 20" x 10" rear wheels will have you revving up on the road in no time.

6

PERFORMANCE DATA AND VIDEO RECORDER
Log in your sessions with real-time performance data so you can analyze your driving techniques and improve your abilities in the long run. Valet mode records video and vehicle data for the times when another driver is taking over.

7

8" TOUCH SCREEN AND VOICE-ACTIVATED INFOTAINMENT SYSTEM
Get the info you need with the entertainment you love with the Chevrolet Infotainment System, Touch-screen display, Apple CarPlay™ and Android Auto™ that connects to your smartphone for directions, calls, and more.

8

HEAD-UP DISPLAY
Innovative and adaptive, now you can project data on to the windshield, helping you stay informed while you focus on the road ahead with color readouts for street mode, track mode g-meter, vehicle speed, and engine RPM.

9

PREMIUM BOSE® 10-SPEAKER SYSTEM
Experience audio with the superior Bose® sound complete with 10 high-performance speakers and AudioPilot, Centerpoint and SurroundStage technologies.

10

COMPETITION SPORT SEATS
Provides excellent back support in addition to a refined interior so you can have comfort in your drive whether it's for a quick trip or a long ride.
