TOP 10 THINGS TO LOVE ABOUT THE CHEVROLET TRAILBLAZER

MAKE YOUR OWN PATH

You drive, you decide. Take the wheel and redefine your ride with the Chevrolet Trailblazer. Its advanced technology boasts powerfully efficient engine systems, innovative safety features, impressive cargo and passenger space.

1

Performance Engineered For You

Experience energy-efficient drives with the GM E-Turbo 1.3L 3-Cylinder Engine that delivers 155 horsepower and 236 Nm of torque, with Advanced Active Thermal Management System.

2

Geared for Great Drives

Maneuver comfortably with the New Generation Lightweight CVT with Multi-Mode Drive System.

3

Save Power On the Go

Adapt easily to whatever the road demands with the Engine Stop/Start System with Auto Stop Disable Switch that manages the engine according to traffic conditions for reduced fuel consumption and exhaust emissions.

4

Cool Rides

Maintain optimal temperature on the road with the Active Grille Shutters that open to let cooling airflow in and close when more aerodynamic efficiency is needed.

5

Easy Lifting

Load up your cargo conveniently with the Hands-Free Power Liftgate with LED Logo Projection Light that carefully opens through a swipe foot sensor so you can fill up the space efficiently and effortlessly.

6

Game On

Turn heads at every turn with the Camaro-inspired Fascia, equipped with IntelliBeam Headlamps, LED Daytime Running Lights, and LED Fog Lamps that help improve your visibility even in challenging environments.

7

Keep It Steady

Get a better grip on your wheels with the Enhanced Stability Control System that has ABS, EBD, CBC, TCS, ESC, EDC, Hill Start Assist, and Rollover Protection.

8

At Your Own Pace

Drive safely with the Brake Assist Systems that consist of the Fading Brake Assist, Panic Brake Assist, Brake Pre-fill, Mini Spare Detection, and Torque Vectoring by Brakes.

9

A Touch of Convenience

Stay connected with the latest 8" Chevrolet MyLink with Apple CarPlay® and Android Auto™ and enjoy intuitive features that let you listen and reply to messages, navigate your ride, give voice commands, and play your favorite tunes.

10

Your Smart Co-Pilot

Have an extra set of eyes and hands on the road with the Innovative Driver Assistance System that consists of the Forward Collision Alert, Following Distance Indicator, Automatic Emergency Braking, Front Pedestrian Braking, Lane Change Alert with Side Blind Zone Alert, Lane Keep Assist with Lane Departure Warning, Rear Camera, Rear Park Assist, Rear Cross Traffic Alert, Tire Pressure Monitoring System and Tire Fill Alert.

EXTERIOR

Smart and sophisticated—that's how the Chevrolet Trailblazer's exterior stands out on the road. By combining style and function in every corner, all eyes will definitely be on you.

ODE TO FAMILY

Ride in style like a fellow Chevrolet icon with its Camaro-Inspired Fascia, completed with IntelliBeam Headlamps and Active Grille Shutters that improve engine ventilation and overall thermal comfort.

SEE THE BIG PICTURE

Keep your view clear and wide with Heated Side Mirrors that are upgraded with Lane Change Alert with Side Blind Zone Alert so you never miss a spot on the road.

GOT YOUR BACK

Drive confidently knowing you're protected from front to back with high-tech features such as the Rear Park Assist Sensors with Camera, Rear Cross Traffic Alert, and Hands-Free Power Liftgate with an LED High Mount Stop Lamp.

ENGINE

Pave your own path with the efficient and power-packed engine of the Chevrolet Trailblazer. Its intelligent features and technology lets you easily go further and reach your destinations wherever.

Go Turbo

With its GM E-Turbo 1.3L 3-Cylinder Engine paired with a New Generation Lightweight CVT with Multi-Mode Drive System, you can truly enjoy the passion for the drive.

Optimize the Heat

Enjoy cool drives with the Advanced Active Thermal Management System that uses 7 different cooling modes that improves engine temperature management and maintains optimum engine and transmission operating temperature so you can go further for longer.

Save Your Energy

Give your engine a little break with the Engine Stop/Start System that reduces the amount of your engine's idle time, fuel consumption, and exhaust emissions by automatically shutting down and restarting the internal combustion engine when needed. To disable this feature, just push the Auto Stop Disable Switch.

INTERIOR

Experience comfort just the way you like it when you step inside the Chevrolet Trailblazer. Its spacious and versatile interior is tailored to suit your taste with design that never goes out of style.

CLASSIC FASHION

It's downright good-looking. The Jet Black Interiors with leather upholstered seats and Victorian Herringbone Interior Accent create seamless elegance and comfort that you can't resist.

LOAD IT UP

Take more with you, whether it's a row of shopping bags or full camping gear for the weekend. The 60/40 Split Folding 2nd row seat and Two-tier Cargo Floor provides flexible and generous accommodations for all your trip's needs.

DRIVER CONVENIENCE

Chevrolet Trailblazer is thoughtfully-designed with smart and helpful features to make every ride a meaningful one.

SECURED FOR SERVICE

Protect your vehicle by limiting the access to your personal settings from those who may need to operate it. By entering your pin, you can lock the infotainment system and steering wheel control while also keeping your vehicle's storage locations closed.

TAP IN

Get easy and convenient access to your vehicle with just a tap through the Passive Entry System and Push Start Ignition.

CONVENIENCE WITHIN REACH

Stay connected while on the go with the 8" Chevrolet MyLink with Apple CarPlay® and Android Auto™ Compatibility and Bluetooth Connectivity that lets you access select apps from your phone and provides you with support from entertainment to navigation and communication.

YOUR HANDS-ON COMPANION

Do more while keeping focus on the road with a leather-wrapped steering wheel with Electronic Power Steering (EPS) and a heater function. It's also equipped with multimedia, call, audio, and cruise control switches so you can drive and connect effortlessly.

A UNIQUE POINT OF VIEW

Lessen distractions while driving with the Auto Dimming Rearview Mirror that helps minimize glare from cars behind you day and night.
